

Presents
**The 1st Annual Luke Laudolff
PET CARNIVAL**

Luke Laudolff packed a lot of living into his almost 10 1/2 years of life on this earth. From the time he was a very young child he loved all living creatures--birds, bugs, butterflies, fish, frogs and especially dogs and cats. With these interests he was a natural for volunteer work in the Kids 'N Kritters program at the Anderson Animal Shelter. Unfortunately, his life ended while he was young. Now, his parents want his memory and love of animals to live on even though he is gone. They chose Anderson as a charity that family and friends could contribute to in memory of Luke. This is a fitting gift in memory of a boy who loved "all creatures great and small". So Luke's legacy lives on and continues to impact the lives of animals.

Event Date: Saturday, July 12
Time: 10:00am - 4:00pm
Location: Petco Geneva
1885 S. Randall Road
Geneva, IL 60134
